Using the tool of education, SCBA seeks to assist families as they...

- Establish, in their children, a foundation of faith in God and God's Word.
- Develop, in their children, Christ-like character to be able to serve God and others.
- Develop their child's gifts and abilities so that they are able to live successfully.

SCBA utilizes the ABEKA curriculum for all grades, 3 year old through High School!

South Charlotte Baptist Academy

In our ever-changing world, we recognize the importance of teaching our students critical, real-life skills, such as:

- Time Management
- Communication
- Attention to detail
- Teamwork
- Positive Attitude
- Problem solving
- Strong Work Ethic

Rigorous academics are utilized to teach the “whole child.” You will enjoy watching your children succeed and grow as they put these skills to use!

Choose the best education for your child...

while at the same time watching them achieve spiritual growth which will be evident as they demonstrate Christian character such as:

- Kindness
- Self-Control
- Obedience
- Wisdom
- Diligence

What sets SCBA apart?

Affordability

Compared to other Christian and private schools, SCBA is very affordable. SCBA *accepts the North Carolina Opportunity Scholarship.*

Low Teacher/Student Ratio

This allows our staff to mentor students, pray with them individually, and help them through the ups and downs of life.

Supportive Faculty & Staff

Our staff desires to come along side you through open and honest communication to assist you in your God-given responsibility!
